

## New England Antique Radio Club Membership

This will be an exciting year for the NEARC. We have a new set of volunteers for the open club positions with ideas on improving the club. This year we are requesting everyone to provide their email address as part of their membership. In order to reduce mailing costs we will begin sending out membership renewal reminders using email instead of the U.S. mail. In addition, we plan on adding the ability to the club website ([www.nearc.net](http://www.nearc.net)) to make membership payments using Paypal (or credit card via the Paypal website). The membership renewal form is also available on the club website for those members that would prefer to pay by check. We are also investigating the use of email/website/Paypal for swap meet table payments and distribution of the quarterly newsletter.

Below is the NEARC membership form. Fill it out, including your **email address** (please print), and return it with a check for \$12 made out to "NEARC" to:
